WHAT CLIENTS SAY

Engaging. Thought-Provoking. Inspiring. Our audience loved it from beginning to end. Time flew by, and we are still talking about it.

—Jeremiah McGuire
VP, WebMD

Best speaker ever. Just hours after the keynote, a team applied Peripheral Thinking™ to create a new client strategy. It won! 10X ROI in two weeks!

—EVP Leadership Development
Fortune Global 500 Tech Company

A year later, Paul's principles of Peripheral Thinking™ continue to guide our rapid growth. I can't wait to have him speak again.

—Ray Green
CEO, Repeatable Revenue

Paul opened our eyes to a new way of thinking. The audience response has been fantastic. Paul is amazing! Book him for your event. I'm glad I did.

—Lou Bortone
CEO, The Video Godfather

PERIPHERAL THINKING™:

The Super-Skills for Sustainable Innovation.

SNEAK PEEK

- See and avoid the pitfalls that keep your business, people, and industry from sustainable innovation.
- Discover new perspectives hidden in plain sight.
- Use everyday experiences as inspiration for your innovation.
- Grow at will regardless of the market environment.

PAUL's audiences and clients call him the "Innovation Whisperer." His speech about Peripheral Thinking™ is entertaining, engaging, and downright cool. He'll inspire your audience to challenge convention, explore their periphery, and quickly innovate beyond any obstacle by using super-secret super-skills. You'll never look at a butterfly, mountain field, or sled dog the same way.
